Finding love should be easy, but wedding photographer Phoebe Ward knows better. When Cupid shows up on a crazy mission to help her—and save the world in the process—Phoebe realizes love might be even more complicated than she thought. Even with Cupid showing her Mr. Right, she can't stop thinking about his best friend, Mr. Wrong. Cal Crawford has never had time for love, but now he's falling for Phoebe. Which means it's got to be just plain wrong to set her up with his best friend, right? But even though seeing Phoebe with someone else will break his heart, he can't walk away from her. Phoebe can't afford to choose the wrong guy with the fate of the world at stake. But maybe Cupid has it wrong. Maybe she has to rely just a little bit on Cupid, and a whole lot more on her heart.

#### **Henrietta Belcher:**

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this A Little Bit Cupid can make you really feel more interested to read.
