Being a Safe Place for the Dangerous Kind

Michael Bradley

Being a Safe Place for the Dangerous Kind Michael Bradley

We live in a world full of broken people. And all too often, the Christian church is not a safe place for them to find emotional, relational, and spiritual wholeness. But it should be.

In *Being a Safe Place for the Dangerous Kind*, author Mike Bradley offers a book to help followers of Jesus live more effective lives of witness and develop healthy disciples and leaders. It is not a book that simply points out everything the body of Christ and its leaders are doing wrong. This is a book about a person's "being"—who that person is as opposed to what he or she does.

Broken into four parts entitled "Introducing the Safe Place Vision," "Experientially Rooted in God's Grace," "Rooted in God's Truth," and "Creating an Atmosphere of Freedom for Authentic Living," Bradley uses Scripture to show how Jesus was a safe place and modeled for us how to best relate to others so they could be impacted by the love and power of God.

For pastors, leaders, and laypeople alike, this is an essential resource for anyone interested in learning how to help others find restoration in Christ.
