Chaos Craft: The Wheel of the Year in Eight Colours Julian Vayne, Steve Dee

Blending together the essences of Chaos Magic and modern Paganism, this book records the emergence of the new tradition of Chaos Craft. Many of the essays presented here were first brewed up in theblogofbaphomet.com. New pictures and fresh essays add spice to these existing writings. Some of which, previously unavailable, comprise the secret rituals of this unashamedly syncretic form of occultism.

The potion you may sample inside is infused with the flavours of Gurdjieff, mindfulness meditation, trance-bodywork,entheogenics, Wiccan and Sabbatic Craft. The mixture has been diligently stirred widdershins for two years as the Wheel of the Year cycled through the Colours of Chaos.

The explorations, the questions, the techniques and reflections presented here are part of an ongoing magical work. Like the figure of Baphomet himself (patron deity of Chaos Craft), the elixir pouring from this cauldron is redolent with the rich alchemical scents of what modern magicians do.

(The Kindle edition differs only slightly from the print edition, as it has some colour images rather than all black & white.)
