Marisa Russo

Freeing the Unloved Girl is a fresh take on overcoming the negative conditioning (and abuse) that all women experience at some point in their life.

"As parts of my childhood memories returned, I tried to make sense of it all. There were many pieces of the puzzle that started to come together as I retraced my steps. It started to make sense why I experienced high levels of anxiety, panic attacks, felt unsafe, and wanted to lock my bedroom door at night."

Abused as a child, Marisa Russo feared commitment and fell into a lifestyle of poor choices and negativity. Finally able to reclaim her true identity in her forties, she made it her life's work to help others in the same predicament. Having founded Forensic Healing, Marisa's investigative style first attracted praise in her book, Women Breaking Free. In this new offering, Freeing The Unloved Girl, Marisa helps readers discover and heal past hurts using a combination of examples and exercises, alongside words of encouragement and validation.
