Mysterium Paschale: The Mystery of Easter

Hans Urs von Balthasar

Mysterium Paschale: The Mystery of Easter Hans Urs von Balthasar

This is an account, at once rigorously theological and warmly devotional, of the death and resurrection of Christ, and their significance for the Christian life. Von Balthasar offers sharp insights into some current controversies -- for example, the 'bodiliness' of the Resurrection -- and spiritual inspiration for the year round. This scholarly reflection of the climax of the Christian year is an established classic of contemporary Catholic theology.
