The Sin Code Hunter S. Cooper

1862 Arizona-Utah border: Ten men chisel a tunnel into red rock, deposit a wooden chest and seal the entrance with a huge sandstone slab. More than one hundred years pass and no one knows for certain the location or contents of the chest. Whatever it contains, it's worth dying for. Now a coded letter surfaces. Rachael Cooper has the letter and knows that if she can break the code, she can find the chest. Despite all efforts, she can't decipher it. A murderous cult knows she has the letter and has spilled ample blood attempting to find her and unravel the letter's secrets. Rachael seeks out Jack Kurtz. In his day, Kurtz was a phenom, a world class code-breaking prodigy. The CIA considered him a national treasure...until he crossed a line and became just another inmate in Leavenworth Penitentiary. Kurtz is now a burned out ex-con living on a sailboat in LA and reluctantly agrees to help Rachael. Jack and Rachael are pursued by the cult from the Channel Islands off Southern California through Mormon dominated Utah to the Arizona desert as they attempt to break the code- the sin code- and find the chest.

From reader reviews:

Annette Carroll:

Here thing why that The Sin Code are different and trusted to be yours. First of all examining a book is good but it really depends in the content of the usb ports which is the content is as scrumptious as food or not. The Sin Code giving you information deeper including different ways, you can find any reserve out there but there is no guide that similar with The Sin Code. It gives you thrill reading through journey, its open up your eyes about the thing in which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your means home by train. When you are having difficulties in bringing the imprinted book maybe the form of The Sin Code in e-book can be your choice.

Richard Freed:

The ability that you get from The Sin Code is the more deep you searching the information that hide within the words the more you get enthusiastic about reading it. It does not mean that this book is hard to know but The Sin Code giving you joy feeling of reading. The article author conveys their point in certain way that can be understood by means of anyone who read the idea because the author of this guide is well-known enough. This kind of book also makes your personal vocabulary increase well. It is therefore easy to understand then can go along with you, both in printed or e-book style are available. We suggest you for having this specific The Sin Code instantly.

Emma Berkey:

Your reading sixth sense will not betray you actually, why because this The Sin Code guide written by well-known writer who really knows well how to make book that could be understand by anyone who also read the book. Written in good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still skepticism The Sin Code as good book but not only by the cover but also with the content. This is one e-book that can break don't ascertain book by its deal with, so do you still needing one more sixth sense to pick this specific!? Oh come on your examining sixth sense already said so why you have to listening to a different sixth sense.

Joshua Miner:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Sin Code can make you really feel more interested to read.
