Warhammer 40K Horus Heresy Primarchs MMPB Graham McNeill

Created in the Emperor's own image, the primarchs had long thought themselves to be princes of the universe and masters of their own destiny - no enemy of the Imperium could stand against them. However, the seeds of dissent had been sown long before the treacherous Warmaster Horus declared his grand heresy. Gathered within this anthology are four novellas focusing on some of the mightiest warriors and leaders that mankind has ever known - Fulgrim, Alpharius, Lion El'Johnson, and Ferrus Manus - and the roles that they may have yet to play in a war which threatens to change the face of the Imperium forever.
