Alexander the Great Elizabeth Baynham

The literary tradition surrounding the Macedonian conqueror is rich, contradictory and complex. Much of what we know comes from the history of Quintus Curtius, who wrote a history of Alexander in the first century AD. Baynham explores Curtius' historical style and his presentation of the legendary king. She examines his use of ancient sources, and discusses why Curtius chose to preserve the information about Alexander that he did. She demonstrates that his work was a carefully planned narrative, and that he was not only interested in presenting Alexander as a clever ruler and accomplished tactician, but also as a human subject to the whims of chance, of fortuna .
