American Warlord: A True Story Johnny Dwyer

At fifteen, Chucky Taylor was an average American teenager, growing up in the suburbs outside Orlando. Then he got a phone call from his father, a man who would become the infamous president dictator of Liberia, and later be convicted of crimes against humanity.

Arriving in West Africa and reunited with his father, Chucky soon found himself leading a murderous militia group tasked with carrying out the president's vendettas. Young and drunk on power, and with no real training beyond watching action films, Chucky spiraled into a binge of drugs, violence, and women, committing crimes that stunned even his father. A work of astonishing journalism, *American Warlord* is the true story of those dark years in Liberia, cutting right to the bone of humanity's terrifying and unknowable capacity for cruelty to show just how easily a soul can be lost amid the chaos of war.
