## **Capone and Capri: A Bad Boy Romance** Jessica Watkins

In the Secrets of a Side Bitch series, Capone was Omari's right hand man, but a boss, nonetheless. In Capone & Capri, his bad boy swag is tested when death falls at his doorstep, along with the possibilities of love. He had been juggling women all of his life; never a one woman man, with no interest in finding "the one." But a real man doesn't hesitate when he finds the right woman, even if he wasn't even looking for her, and Capone did not hesitate the moment that he laid his eyes on Capri, a coal-colored beauty, who owned a voluptuous body; the best curve being her smile. Yet, when DBD, Death Before Dishonor, an infamous drug organization in Chicago, which Capone heads, has madness brought to its doorstep, love is placed on the back burner. As Capone avenges the death of one of the most important members of DBD, his focus has to turn to revenge, but he finds peace in the arms of his "Black Beauty."

However, as sweet and kind as Capri is, the black beauty is battling demons of her own. As she is being pursued by Capone, while still being involved with another man and dealing with family drama, her plate is full.

From the national bestselling author of the Secrets of a Side Bitch series, Jessica Watkins is back with yet another explosive and suspenseful saga that is guaranteed to leave you wanting more! In Capone & Capri, follow these two love birds' romance of lust, love, drama and turmoil. If Capri leaves her man, is being with Capone what she really wants? Or is she ready to finally live life as a single woman? And will Capone think that Capri is worth setting aside his player ways for once he finds out that he has been sleeping with the enemy?
