In the World of Sumer: An Autobiography Samuel Noah Kramer

Samuel Noah Kramer is the leading authority on the interpretation and reading of civilization's oldest literature. His life and life's work are so thoroughly intertwined that his autobiography is also the story of the recovery of the language and literature of the Sumerians. From young Talmudist to the patriarch of Sumerology, Kramer recounts his long and distinguished career. Writing for the non-specialist, he paints a panoramic view of Sumerian literature and provides thumbnail sketches of the individuals with whom he collaborated.
