## **Love Lies Beneath: A Novel** Ellen Hopkins

The #1 *New York Times* bestselling author of *Collateral* “is at her best in this outstanding novel written in gorgeous prose...a sex-filled masterpiece of mystery and romance” (*Library Journal*) about a woman caught in a love affair that could be her salvation—or her undoing.

Once a widow, twice divorced, Tara is a woman with a past she prefers to keep hidden. She’s gorgeous, affluent, and content living alone in her flawless San Francisco mansion.

That is, until she meets Cavin Lattimore—the charming surgeon who sweeps her off her feet following a ski accident in Lake Tahoe. But as her recovery progresses and her love life flourishes, Tara notices some suspicious incidents—an unusual van parked outside her home, a break-in, threatening text messages, and distressing emails. She can’t help but notice the cracks in Cavin’s “perfect” persona, including the suppressed rage his conniving teenage son elicits.

Housebound and on crutches, Tara depends on Cavin—perhaps to a dangerous degree—as she juggles difficult relationships with her envious sister and best friend, her irritable brother-in-law, and her estranged mother. However perfect Tara’s life may have appeared before, new events are starting to expose what lies beneath.

Writing for the first time in prose, Ellen Hopkins unveils a brand new form that’s fresh, smoldering and emblematic of her celebrated poetic voice. Injected with a signature dose of suspense, sex, and drama, *Love Lies Beneath* delivers right up to its shocking and unexpected conclusion.
