## **Mennonite on the Edge: An Unlikely Romance** Cynthia Yoder

Though a country-girl at heart, MaryJo wants to ditch her identity as a Mennonite in marrying Adam and living a life of adventure in Manhattan. But news from home kicks up memories she'd tried to bury. While she begins to question her choices, Adam lands a high-profile job, making a move seem impossible. MaryJo must make peace with her past and her current situation so that she can live the life of her dreams with Adam. But can she reconcile her craving for serenity in the City that Never Sleeps? Set in both New York City and the heart of Pennsylvania Dutch Country, *Mennonite on the Edge* reveals a young woman's struggles to define life on her own terms. The more she attempts to redefine herself apart from her past, the more the past seems to pull her in. *Mennonite on the Edge* explores love and marriage, belonging and culture and will appeal to readers of contemporary fiction, Chick lit, as well as historical and Christian fiction. Book club questions are included.
