“Happy families are all alike; Every unhappy family is unhappy in its own way.” Everybody has, or once had, a family, but families vary. Some are traditional - Mum, Dad, 2.4 children - some have only one parent, some two, some many. You may have a dozen brothers and sisters, or you may have none. THE FAMILY WAY is a bravura collection of original fiction about families old and new, small and large, happy and unhappy, normal and strange, human and otherwise from the publishers of THE LAST POST. This special edition of THE FAMILY WAY features seventeen striking illustrations by Meghan Hawkes.
