Some rules *beg* to be broken.

Arienne Holbrook is desperate for a better life, but until she can devise an escape plan, she's forced to obey the rules. Rule number one? *Never* confess her secrets to a man.

Especially when that man is a sexy, dirty-talking billionaire whose demanding touch sets her body ablaze...

Desire can be deceiving, but Jared Blackwell is no fool. The alluring seductress heating up his nights is definitely keeping secrets, and Jared is determined to force a confession, one sinfully hot kiss at a time.

If only her lush, wet mouth wasn't so damn distracting.

As their sizzling infatuation deepens, Jared's on a collision course for heartache and financial ruin, and Ari's playing with the kind of fire that just might get her killed. Is love worth the risk... for either of them?

**** Cliffhanger alert! **** Admit it: just like Arienne, you like being teased! Bared to the Billionaire is a 4-part serialized romance series designed to leave you begging for the ultimate climax. For maximum panty-melting enjoyment, books must be read in order.?
