A Passionate Pretense...

"I can do without being known as someone who has a tramp for a secretary."

Now *that* wasn't fair! Marcos Adrino might have been taken in by Beth's impersonation of her identical twin sister, but neither she nor Laura deserved that label!

Beth knew she was playing with fire by agreeing to Laura's harebrained scheme—to stand in for her twin while Laura had her baby. But she'd bargained without the tormenting complication of Marcos! Either his arrogance or his irresistible attractiveness would push Beth too far—and then she and Laura would *really* know the meaning of trouble!
