Complete Works of Shakespeare, The, with MyLiteratureLab -- Access Card Package (7th Edition)

David Bevington

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

A balanced editorial approach, a highly respected editor, and comprehensive glosses, footnotes, and historical and cultural essays make this the most reader-friendly introduction to Shakespeare available today. The seventh edition of this comprehensive anthology addresses the two key issues confronted by readers approaching Shakespeare today: a lack of knowledge about the historical period and difficulty with the language of Shakespeare's plays. A richly illustrated general introduction offers insight into Shakespeare's England and background on the literary and cultural contexts in which Shakespeare wrote and produced plays. Each play is introduced by a descriptive essay designed to help the reader appreciate the cultural contexts and interpretive issues raised by the play -- without dictating their interpretations. Thoroughly revised and updated notes and glosses provide additional support to understanding the language of Shakespeare's time.
