3 Unique Storylines. Over 50 Possible Endings. *Just one question...* **Will YOU Survive the Zombie Apocalypse?**

Everyone has their plan; what they'd do to survive if and when the zombie apocalypse happens. Now you can see how you'd hold up against the legions of undead without needing to call the CDC because crazed bath salts users are trying to eat your face off.

Here's how it works: You, Dear Reader, are the main character of this story. Live, die, and rise again based solely on the merit of your own choices. The boards are in place, so that should buy you some time, but they won't hold forever:

-Fend them off one by one with my Louisville Slugger. I don't care if I have to battle the whole town! **Go to page 55**

-I'll grab what I can and head up to the attic. Spiders and rats over zombies any day! **Go to page 170**

-Down into the basement. I've already got some stuff down there, and it works in the movies! **Go to page 301**

"Infected. Is. So. Good." -- A girl just like you.

"Holy \$#**% this is awesome!" -- A guy more or less like you.

Like the gamebooks popular in the 1980s-90s (Choose Your Own Adventure, Give Yourself Goosebumps, etc), this is a series where you choose how to progress through the book. Unlike any others, this is the first series designed specifically for adults.
