God used Daniel to reveal more about the last days than any other Old Testament prophet. He was given the key to understanding when the Messiah would come the first time and also a second time. The key is the Seventy Weeks found in chapter nine. The history of the four great empires that would rule the world from the Babylonian Empire to the Roman Empire was given to Daniel. This future history has played out exactly as Daniel described it. The Medo-Persian Empire followed the Babylonian Empire and then the Greek and Roman empires. We are living in the reign of the fourth empire and are waiting for the “little horn” (the Antichrist) to rise to power. When he comes to power he will confirm a covenant with Israel for seven years which will start the last week of the Seventy Weeks. The Rapture will take place on that day. Daniel even gives us specific warning signs to let us know how soon the Tribulation will start and thusly the Rapture. In chapter seven we are told that before the Antichrist “little horn” rises to power a world government will be established and then a coalition of ten kings will take over the world government (vs. 23-24). We will know the Tribulation and the Rapture is very close when this world government is set up. After that fateful event we are to look for the Antichrist who will rise up out of the ancient territory of the Greek Empire (8.8-9). According to Daniel believers will be able to know the approximate time of the Rapture. Paul studied the book of Daniel and under inspiration of the Holy Spirit he gave us more details to know how close the Tribulation and Rapture are. He said when the people of the world think they have achieved world peace (Revelation 6.2) that is when sudden destruction will come upon them (1 Thessalonians 5.3). That false peace is what the Antichrist gives the world when he confirms a treaty with Israel. Soon after that peace treaty is confirmed war will break out (Revelation 6.3-4). Yet believers of the Church Age will not be caught by surprise when that false peace is broken by war because we are not in darkness (1 Thessalonians 5.4). This commentary on Daniel will give you great insight into Bible prophecy and the Last Days. Study it and the book of Daniel diligently
