How We Began Edie Danford

How does love begin? A glance, a gesture, an unexpected offer of help from a stranger...or from a good friend. A smile across a counter at a coffee shop or video store. A secret revealed in a song from another place and time. Or in a love ballad crooned at a high school dance. In this anthology of never-before-published sweet LGBTQ+ stories, seven authors explore the beginnings of love between young and new adult couples. All proceeds will support The Trevor Project's work with crisis intervention and suicide prevention for LGBTQ+ youth.
