Trust Me When the Sun Goes Down: Forged Bloodlines #8 Lisa Olsen

From Bestselling Paranormal Romance Author Lisa Olsen - Book 7 of the Forged Bloodlines Series

"I couldn't help but think we were finally over the worst of our troubles. I was such an idiot."

The bad guy's dead and gone, Jakob's given Rob and Anja his blessing and left town, so everything should be smooth sailing, right? Right? Not so fast. Lodinn's still wreaking havoc with their lives from beyond the grave as the search for Carys pulls Bishop and Jakob into the most unlikely of partnerships.

As Anja settles into her hard won bliss, she finds that things aren't necessarily happy ever after as Rob's mounting secrets begin to take their toll. All around her violence against humans is spilling into the city streets, threatening to expose vampires to human eyes and bringing vampire hunter Carter back into the picture. His direct but effective methods lead her to ask - is it wrong to kill a killer? Is there anything she can do to bring the violence to a halt apart from compelling the entire vampire community to her will?

When Bishop discovers Carys' long lost diary, it holds the key to his past as well as Rob's future. The burning question remains - is Carys really alive out there somewhere or was it merely a beautiful lie and Lodinn's final revenge?

And can Anja survive a betrayal so deep it shakes her to the very core?
