Billionaire's Auction: Buying the BBW Lara Stern

After a few glasses of wine Jamie's friend invites her to a charity date auction. She's skeptical to say the least. Standing up in front of all those people? Being bid on like an old car, or some weird art piece. What if nobody wanted her?

But when her auction is won by an anonymous bidder her pulse starts to race. Scanning the room she can only hope and guess who chose her. The Chinese businessman with his determined scowl and perfectly straight mustache? What about the wrinkly, old men in the corner drinking impossibly expensive champagne?

But she could never expect who would show up at her doorstep. The face of the handsome and charismatic **billionaire** Darren Holloway leaves her speechless. Was it some sort of mistake?

She had never been more nervous in her life. After all, what do you say to a billionaire over dinner?
