Coloring relieves stress, it nurtures the imagination, it creates beauty. And coloring—for grown-ups—is one of the hottest trends in books. Returning after a sellout debut in 2016, COLOR YOUR YEAR CALENDAR features a dozen intricately drawn, seasonally themed illustrations to color in and make your own. A beautiful floral motif for April, a beach party for June, a cityscape for September, and a bountiful harvest for October. Each black-and-white picture will inspire you to pick up the colored pencils, begin the meditative and surprisingly addictive act of filling in the lines, and watch as a vibrant masterpiece emerges. And at the end of the year, it's a gallery of your very own art to display.
