White Christmas with a Wobbly Knee: The Belchester Chronicles - 2 Andrea Frazer

A Lady Amanda Golightly Murder Mystery From the author of The Falconer Files - the second in a series featuring an outrageously ill-assorted pair of amateur sleuths. A delightful outpouring of English upper class eccentricities with the odd murder thrown in. Cringe with embarrassment as Lady Amanda Golightly acts like a bad-tempered five-year-old in the face of a family crisis. Cheer her on, as she and her live-in friend at Belchester Towers, Hugo Cholmondley-Crichton-Crump, plan a new business venture for the old place. Join them for Christmas, then wish them luck, as they embark on a trial run for their new enterprise. Then gasp at Lady Amanda's reaction (delight!) at the discovery of a body of a dead guest, found slumped on the library table, murdered FIVE TIMES! Lady Amanda and Hugo are off again on one of their madcap investigations, determined to save the reputations of their batty friends and beat the morose Inspector Moody to the unmasking of the culprit - or is it culprits? - while Beauchamp, her butler, calmly serves cocktails. (Recipes at the end of the book!)
