I thought I knew what love was...

My name is Hunter Willis and I've found love. The problem? I'm not sure I'm ready for the rest of the world to know I've fallen for my best friend. Everyone knows Max is gay. Me? They think I'm straight as an arrow. So did I, until Max and I shared a kiss three months ago that blew that theory right out of the water.

Now, by the ocean in Florida, thousands of miles away from prying eyes, I'm finally ready to admit to myself that Max and I have something special. Max has been ready for a long time—and he's been waiting for me. Really waiting. As in...he's still a virgin.

There's nothing I want more than to be Max's first lover. But I know when Max gives away that part of himself, it won't be just a summer fling. It'll be for keeps. Max deserves the best. I'm just not sure, when it comes right down to it, that I won't break his heart.

Did I mention I'm scared as hell?
