## Discover How to Decorate For Less and Love Your Home More

Are you sick of decorating on a budget? Does it feel like your home is never going to look the way you want? Do you ever feel guilty about the time and money you spend trying to create a home you love?

I know you want to create a beautiful home, but I also know you don't believe it's within your reach. Decorating feels frustrating and expensive. You try to keep up with the latest trends and you look for good deals to save money, but every season or every few years you still get the urge to replace everything and start over. Will you never be happy?

**Imagine not feeling rushed to finish your home. Imagine enjoying your home *in progress*.**

With a different approach to decorating you can:

- Surround yourself with decor you love (even if you're decorating on a budget).
- Find things you want to keep and never want to replace.
- Start spending less by passing on “disposable decor” and confidently buy decor you'll enjoy for years to come.

This approach isn't about penny-pinching, finding cheap deals, or dumpster diving (unless that's what you're into). Free Decorating is a strategy to **1) Free yourself from the tug to constantly replace and redo your spaces, and 2) Build a decor collection that allows you to reuse and re-decorate without spending money.**

It's time to shop smarter, save your money, and most importantly, love your home decor (well past the return date on the receipt).
