Jason Mohaghegh

New Literature and Philosophy of the Middle East: The Chaotic Imagination (Literatures and Cultures of the Islamic World) Jason Mohaghegh

In an inspired piece of criticism, Mohaghegh tracks the idea of *chaos* into the contemporary philosophical and cultural imagination of the so-called 'Third Worlds', exploring its vital role in the formation of an emergent avant-garde literature. Concentrating on writings of the twentieth-century Middle Eastern new wave, including the chaotic configurations of Sadeq Hedayat and Ahmad Shamlu, Mohaghegh uncovers provocative experiments with the outer boundaries of thought and text. What surfaces, in the end, is a rising language of blindness and burial, one that has cast an enigmatic shadow across the future of world literature.
