Chasing the Devil: On Foot Through Africa's Killing Fields Tim Butcher

For many years war made Sierra Leone and Liberia too dangerous for outsiders to travel through. Facing down demons from his time in Africa as a journalist, Tim Butcher heads deep into this combat zone, encountering the devastation wrought by lawless militia, child soldiers, brutal violence, blood diamonds and masked figures who guard the spiritual secrets of remote jungle communities. On an epic journey that demands courage, doggedness and sheer luck, Butcher treks for 350 blistering miles through rainforest and malarial swamps to gain an extraordinary ground-level view of an overlooked region on the cusp of a remarkable recovery.
