Damian's Oracle (War of Gods Book 1) Lizzy Ford

As featured in USA Today in March 2012. BOOK ONE in the War of Gods series.

Inspired by Slavic mythology, Damian's Oracle is the entree into the ongoing battle between good and evil over the fate of humanity. The White God, Damian, and his Guardians protect the world from the Black God and his monsters while rescuing Naturals – humans with extraordinary paranormal gifts – from the Black God, who would kill or convert them.

Caught in the middle is cool-headed Sofia, a Natural whose gift will tip the scales in the war. Sofia begins her transformation from human into oracle, the first in thousands of years. Damian rescues her from the Black God in time to complete a ceremony that will bind her to him for eternity. Sofia struggles with her new world and her role as an oracle and Damian's mate while haunted by a mysterious man from Damian's past who's supposed to be dead. Unbeknownst to her, her link to the dead man may be all that saves Damian, his Guardians, and the fate of humanity.

While he wants nothing more than for the petite beauty to take her place at his side like the oracles of legend did his White God forefathers, Damian can't quite rationalize having to win her over instead of command her. Further complicating his life is the sobering realization that there are spies in his organization who are helping the Black God take out his Guardians. Damian must help Sofia reach her potential fast, especially when a threat from his past returns.

Includes exclusive excerpt from "Damian's Assassin," Book II in the War of Gods series.

Editorial review:

Excerpt from review in USA Today, March 30, 2012:

"Damian's Oracle, the first novel in a series of four, effectively balances paranormal action with old-fashioned romance. While Sofia's emotional development and evolving supernatural powers seemed rushed at times, the cast of characters is entertaining and vivid, the story is engrossing, and the love shared between Damian and Sofia is authentic and timeless, an organic and precious factor in this supernatural saga. Damian's Oracle is a paranormal romance that is sure to entertain and thrill."
