## Following the Law by Nicole Dennis

### Book five in the Southern Charm series

*Can a sheriff untangle the mysteries invading his town and those which surround the local IT geek who's captured his attention?*

Sheriff Robin Burke is pissed off. His quiet seaside town is troubled with all kinds of problems. Looking for the man who tried to poison Samuel Ashford is high on his priority list, but there is more in store. When someone he crushes on returns, he hopes to ignite his non-existent love life.

Returning from London, Beau Courtenay discovers his home has been invaded by his troubled half-brother. Dealing with the chaos, he is busy with a massive backlog of work and renovating the entire Southern Charm system. He finds another troubling detail in the form of random USB interfaces around Shore Breeze that don't belong there. And there's also the allure of the sheriff distracting him and threatening to reveal his darkest secret.

What will happen when Robin connects his suspect to the handsome IT geek with the delicious British accent and tight ass? Can Beau help the sheriff follow the law to prosecute anyone who dares to attack their beloved town?

## The Southern Charm series

Southern Charm—a series of books set in the town of Shore Breeze on the Florida Panhandle Coast at the edge of the Fairview Peninsula. The Charm is an antebellum B&B with a popular restaurant, Southern Delights. Though the Charm survived a hundred years, the last ten have been difficult on its survival—hurricanes, oil spills, and the economy. These are the stories of the men who live within and venture to the Charm to help save her and each other.

### About Nicole Dennis

Ever the quiet one growing up, Nicole Dennis often slid away from reality and curled up with a book to slip into the worlds of her favorite authors. Over the years, she's created a personal library full of novels filled with dragons, fairies, vampires, shapeshifters of all kinds and romance. Always she returned to romance. Still, there were these characters in her head, worlds wanting to be built on paper, and stories wanting to be

told and she began writing them down whether during or after class. She continues to this day. Only recently has it begun to become fruitful, spreading out to let others read and enter her worlds, meet her characters, and see what she sees. No matter what she writes, her stories of romance with their twists of paranormal, fantasy and erotica will always have their Happily Ever Afters.

She currently works in a quiet office in Central Florida, where she also makes her home, and enjoys the down time to slip into her characters and worlds to escape reality from time to time. At home, she becomes human slave to a semi-demonic tortie calico.
