Getting effective, error free affordable healthcare is challenging. Managing Your Doctor is here to help. An information overload no doctor can keep up with; endless manipulations by drug and medical device companies; a take over by profit seeking corporations; laws that disadvantage the patient; an epidemic of medical and billing errors combine with the ever increasing complexity of medicine all contribute to the problem. The antidote is the right information – which this book provides, divided into sections on getting the right doctor; diagnosis; information; treatment; price; future; even the right death (as terminal care is notoriously badly handled) and advice on a home medical kit.
