Sacred Ecstatics is a trailblazing spiritual orientation that leads you straight to a direct experience of divine ecstasy. As your body trembles, quakes, and shakes with ultimate bliss, you are filled with an extraordinary vibration that initiates incredible transformation and rebirth. Based on the best of ancient and contemporary ecstatic traditions, Sacred Ecstatics offers a powerful means of bringing forth this pinnacle spiritual experience. Principally rooted in the mystical, shamanic, and healing lineages of the Kalahari Bushmen, Caribbean Shakers, and the Japanese tradition of seiki jutsu, Sacred Ecstatics specifies the practical know-how underlying the reception and nurturance of Spirit. A three-step recipe for action leads you to the ineffable ecstatic rapture that is missing from most spiritual ways. Sacred Ecstatics is an invitation to dance in the footsteps of the saints, shamans and mystics of old whose souls were on fire with divine love.
