#### **Carol Ton:**

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Utah (National Geographic Guide Map) can make you truly feel more

interested to read.
