À Vous!: The Global French Experience Veronique Anover, Theresa A. Antes

Incorporating the most successful theories of second language acquisition, À vous! offers both inductive and deductive grammar presentations, along with practical vocabulary and rich coverage of French and Francophone cultures. The five skills and the National Standards for Foreign Language Learning are integrated into each chapter, with special emphasis on cross-cultural comparisons. The À vous! program's innovative and comprehensive introduction to French language and culture encourages students to link an analytical approach to studying the French language with a personal, sensorial experience, much as they would encounter in the French-speaking countries of the world. They are given the opportunity to explore the varied cultures represented by the French language and the delightful flavors of French and Francophone cuisine through recipes presented in the textbook and in the video. Realia featured throughout the À vous! program provide a visual approach to culture, while audio and video clips of native speakers expose students to the various accents and dialectical differences within the Francophone world.
