Yoga Philosophy of Patanjali: Containing His Yoga Aphorisms with Vyasa's Commentary in Sanskrit and a Translation with Annotations Including Many Suggestions for the Practice of Yoga Swami Hariharananda Aranya

"It is the most readable and reliable account of classical yoga that I know. There are, of course, numerous secondary works on yoga, many of which are useful and some of which have considerable scientific value. There are few good editions of the actual primary sources, however, and Hariharananda's is one of those." -- Gerald J. Larson, Professor of Philosophy, University of California, Santa Barbara

The Yoga Sutras of Patanjali are universally acknowledged as the fundamental text on yoga and meditation in the Indian classical tradition. This English translation of *Yoga Philosophy of Patanjali* is widely regarded as the most authoritative and authentic that has been available in recent times. It is a serious and clear presentation of Patanjali's sutras and Vyasa's *Bhasya*, providing these basic texts both in the original Sanskrit and in readable and accurate English. These classical works are augmented by the commentary of Swami Hariharananda Aranya, a scholar and yogi of great repute, who, in his lifetime, was the foremost exponent in India of the Samkhya Yoga system of which the Yoga Aphorisms of Patanjali are the principal work.
