Can Ishmael use what he learned aboard the Lois McKendrick to help the crew find the ship's heart? Or will he discover that bucking the system may come at too high a price? Return to the Deep Dark with Ish in this fourth installment of the award winning Solar Clipper Series as he makes the transition from crew to officer.

“Fans of Nathan Lowell’s Solar Clipper series are legion, and for just cause. Each book provides another chapter in the life of one of the most endearing characters to come along in recent memory. Nathan demonstrates that suburb story telling doesn’t require massive space battles or warring aliens, just great characters and a knack for spinning a really compelling tale.” —Michael J. Sullivan, author of the Riyria Revelations

Finalist 2009 Parsec Award for Best Speculative Fiction (Long Form)
