Reader's Favorite, 5 star review:

"The book is an exciting finale to the trilogy series. As a collection, these books can be keepers for book lovers and libraries because all three stories are filled with adventure and a certain amount of intrigue and suspense that keep readers hooked..."

Mommy Booknerd, 5 star review:

"This is by far one of my favorite series EVER for kids. This is the 3rd book in the trilogy. This is a clean series that is free of profanity and sexual situations. This is a series that is also a smart book. Which means to me, that the author does not dumb down the story line or situations. She allows the reader to use their imaginations and allows them to see the good and bad in the world. There is something for everyone in this series!!! Pulioff is a natural storyteller. This series is a gift she has given to her readers...."

Mother Daughter Book Reviews, 5 star review:

"Kirstin Pulioff has accomplished something that I really admire in completing the Princess Madeline Trilogy - - that is, she has written three books that can each stand alone but that are elevated to great storytelling when read as a trilogy...."
