Burns, Falls and Crashes: Interviews with Movie Stunt Performers David Jon Wiener

In *For Your Eyes Only* audiences gasped as James Bonds archenemy Ernest Stavro Blofeld was dropped from a helicopter into a huge smokestack. People jumped to their feet during the climactic barefisted brawl in *Giant*, almost as if they felt the on-screen blows. Though these scenes and other action sequences are all very different, they have one thing in common--the stunt performers who made them so realistic. Perhaps no group in Hollywood is so anonymous as the men and women who make the spectacular movie and television stunts seem real. Here is an inside look at the world of stunt work--in the words of stunt professionals of all ages. The men and women discuss the way the stunts happen, the risks involved, and the intricate planning that goes into pulling off those spectacular illusions. The performers also reflect on some of the stars they have doubled for, and life on movie and television sets.

That is important to you to find out how the improvement of the world. This specific book will bring you throughout the new era of the internationalization. You can read the e-book on the smart phone, so you can read it anywhere you want.

Brenda Moulton:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or to make a summary for some review, they are complained. Just very little students that has reading's internal or real their passion. They just do what the teacher wants, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise words say, many ways to reach

Chinese's country. Therefore this Burns, Falls and Crashes: Interviews with Movie Stunt Performers can make you sense more interested to read.
