## **Divine Redemption (Matched by The Fates Book 2)** Jory Strong

The son of a god, Thanos once walked the streets of ancient Greece and viewed pleasure as his birthright. He's spent centuries punished by The Fates, but now he's been given a second chance with the wife and male lover he so grievously wronged.

They don't remember any of their past lives. But reunited in this one, a glance between him and them is enough to ignite the flames of desire, and the touch of skin to skin creates a burn for all eternity.

It's the ultimate do-over for them all—but only if he gets it right this second time around.

**Please note: A previous version of this story was published by Ellora's Cave. It has been expanded and extensively revised for this edition.**
