Justin: Part One Megan Miller

The first part of JUSTIN, a three part romance series from debut author Megan Miller.

I had been walking down Melrose, shopping by myself on a Monday afternoon when my entire life changed. A blacked out Rolls Royce pulled up behind me, the window rolled down and I heard a man's voice beckon me closer.

That was the first time I met Justin and my whirlwind and heartbreaking romance with the celebrity bad boy began.

Note: This ends in a cliffhanger. Parts Two and Three will be released within the next few weeks. Contains explicit content, intended for mature audiences only.
