Ron Rhodes

Northern Storm Rising: Russia, Iran, and the Emerging End-Times Military Coalition Against Israel
Ron Rhodes

Almost 2700 years ago, the prophet Ezekiel detailed a massive end-times attack against Israel. The coalition he describes is still making headlines today. Bible scholar Ron Rhodes analyzes current events in the light of biblical prophecy and empowers readers to "interpret the signs of the times" (Matthew 16:3).

This up-to-date assessment of the situation in the Middle East reveals vital information about...

- financial and political ties between the group of nations north of Israel
- Muslim leaders' growing antagonism toward Israel and the United States
- Iran's development of nuclear weapons and the resulting threat to global security
- the polarization of nations supporting extremist Islam and the rest of the world
- globalization and its role in setting the stage for a cataclysmic war

Readers will grow in their confidence in God, for to Him, "the nations are like a drop in a bucket" (Isaiah 40:15).
