Pretty Deadly Vol 1: The Shrike

Kelly Sue DeConnick

Pretty Deadly Vol 1: The Shrike Kelly Sue DeConnick

Kelly Sue DeConnick (*Avengers Assemble, Captain Marvel*) and Emma Rios (*Dr. Strange, Osborn*) present the collected opening arc of their surprise-hit series that marries the magical realism of *Sandman* with the western brutality of *Preacher*. Death's daughter rides the wind on a horse made of smoke and her face bears the skull marks of her father. Her origin story is a tale of retribution as beautifully lush as it is unflinchingly savage.

"It's a perfect match for the gorgeous, dizzying artwork in a sumptuous palette-overlaid panels add intricate choreography to fight scenes, and detailed, whirling splash pages beg for long-lingering looks. Couple that, along with a handful of Eisner nominations, with a multicultural cast of tough-as-nails women who all fight for their own honor, and this is a series to watch out for." - *Booklist*

"It's ambitious and challenging (two qualities that are not often valued, but that probably should be), under a façade of violence and sacrifice. Rio's art is lush and detailed, and is more than capable of keeping up with the far-reaching story." - *PW*
