Cell Block X Episode 1: The First Day

Rafael AKA Rafe was an up and coming mob enforcer on his way to bigger and better things when the rug was pulled out from underneath him. He still doesn't know what exactly happened; only that he was caught with over two million dollars in uncut cocaine and enough weapons to start a small army. If that wasn't bad enough, there was also photographic proof that he had killed one of the lieutenants in the family that he was working for. Not able to avoid going to jail, he had to learn to become the hunter or the prey in a hurry.

He knows that his friend William is already incarcerated in the same place that he's going, so he's hoping that he will be able to give him the lay of the land. Even though he has no power within these walls, his sources are vast outside and he wants to track down who was ultimately responsible for framing him for a murder that he didn't commit. What he finds inside these walls makes him see that being in jail is an entirely different world altogether.

Maxwell: Welcome Home

“Welcome to Ocassus Facility, please obey all commands at all times to ensure a functional stay.”

"Max was completely focused on the electric impulses activating every inch of his body in a spasm of pleasure, as the host drove him to a point where he forgot about everything, his mind was completely focused on the moment, and he could feel his orgasm building up."

It was Maxwell's first day in prison, his new home. His stay was going to be...better...than he expected.

Prison Tale Jaime: Welcome to Prison

Remy and Jaime both found them selves in a cell with each other, and it would change both their lives forever.
