Family. Faith. Love. War. The Gates of Trevalyan brings the turbulent years before, during and after the Civil War to vivid and passionate life. Trevalyan, the beautiful central-Georgia plantation where idealistic young Jenny Mobley and aristocratic Charles King marry and build a life together, becomes a symbol of the heartache and division brought by the nation's bitter wounds.

Author Jacquelyn Cook weaves the King family's story into a tapestry featuring the most compelling figures of the time--from charismatic statesman Alexander Stephens and his doomed love for Elizabeth Craig to Abraham Lincoln, Jefferson Davis and many others. Richly detailed and intensely researched, THE GATES OF TREVALYAN breathes the spirit of great storytelling into a fascinating historical era.
